

Dear IFA Members,

We hope this message finds you all well and healthy. Due to the current global situation with Covid-19, it is with great regret that we inform you that the 2020 Cancun Congress which was to be held in October 2020, **will not take place**. The health and the well-being of our members is our most important priority. With the Mexican Branch, the Cancun Organising Committee and all parties involved we are working very hard to find the most suitable solution for all. We will inform you as soon as possible (within a few weeks) on the dates and locations of our future annual congresses!

If you have any further questions, please do not hesitate to contact the IFA Secretariat or the Secretary General. Best wishes in these troublesome times and please keep safe!

Murray Clayson  
President

Jean-Blaise Eckert  
Secretary General
